

22 reasons to be happy today!

Posted by dirtdigger1581 - 2012/07/07 20:28

Took a trip to the beach today to try and beat the 100 degree heat. Decided that since it was an afternoon low tide I'd stick to the water. Spent four hours in the surf from knee deep to neck deep. Found a nice golden ticket about an hour and a half after I arrived, in waist deep water. Turned out to be this nice 22k ring. It weighs in at 5.47g. Put a smile on my face today! Nothing like seeing gold in the scoop! :)

Happy Hunting!
